Problems in practice: Lisa’s research
Experiences of domestic violence

- Produced through dominant discourses?
- Situated accounts built for specific purposes?
- What is the status of the events narrated in the interview?
- Do we risk constructing a homogenous ‘them’?
Conclusion

Discourse analysis
- Research FOR (rather than ON) people
- People as skilled social actors
- Emphasis on context (interaction, history, culture)

BUT
- ‘Voice’ is problematic
- The need to elaborate self and experience
