Factors Influencing the Integration of BCM into CSP

Business Continuity Planning

Disaster Recovery Planning

Research Contribution

1. Crisis management and CSP have been evolving separately over the last decades.
2. Few empirical studies were conducted to contribute to the understanding of the integration of crisis management into CSP.
3. Few empirical research in the field of crisis management exist.

Research Key Questions

1. To what extent do Jordanian companies practice BCM?
2. To what extent do Jordanian companies practice BCM as part of CSP?
3. What factors are likely to influence the practice of BCM as a part of CSP process?

Research Objectives

1. Present the models of BCP and DRP.
2. Examine the current BCM practices and their role in CSP in Jordanian companies.
3. Examine and describe the factors that may encourage or obstruct the integration of BCM into CSP.

Research Aims

1. The research will contribute to the understanding of the integration of BCM into CSP.
2. Aims to examine the factors influencing the organizational decision on whether to integrate BCM into CSP or not.
