What’s next?

• June/July 2009: infrastructure (server and local scan stations)
• July 2009: generic document import routines for student documents
• July/August 2009: the summer catch-up/stripping week
• Thereafter: new document types & import routines
Lessons learned

- Project management: clarity of purpose and brief, timescale/momentum
- Explicit decision about being pragmatic/fit for purpose
- Risk-based approach depending on content
- Wider information needs in future
- Check image breaks in licences!
- Don’t forget to allow for handling, scanner daily rates and metadata creation
- Take digital preservation needs into account
