University of Huddersfield Repository

Stone, Graham

Huddersfield Open Access Publishing (HOAP) Project

Original Citation

This version is available at http://eprints.hud.ac.uk/id/eprint/12971/

The University Repository is a digital collection of the research output of the University, available on Open Access. Copyright and Moral Rights for the items on this site are retained by the individual author and/or other copyright owners. Users may access full items free of charge; copies of full text items generally can be reproduced, displayed or performed and given to third parties in any format or medium for personal research or study, educational or not-for-profit purposes without prior permission or charge, provided:

• The authors, title and full bibliographic details is credited in any copy;
• A hyperlink and/or URL is included for the original metadata page; and
• The content is not changed in any way.

For more information, including our policy and submission procedure, please contact the Repository Team at: E.mailbox@hud.ac.uk.

Acknowledgements
The project would like to thank all those that have assisted during the project, particularly:
- Josh Brown, JISC Programme Manager. The University of Glasgow for the original inspiration.
- Adam Field at Eprints. University of Glasgow for the original inspiration.
- Audit UK universities to find in-house journals.
- Collect the metadata of University OA journals in a central repository for exploitation by link resolvers, e.g. CrossRef, DOAJ
- Make the code behind the HOAP platform freely available via the EPrints Bazaar
- Develop best practice guidelines from the HOAP and SAS Open Journals Projects [5]
