Criminology Books and Journals from SAGE

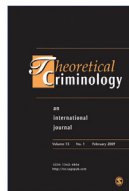

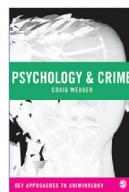

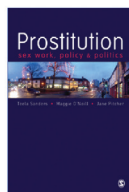

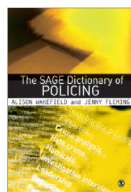

Please join us for a wine reception on Thursday 10th September during the afternoon break to celebrate key SAGE books and journals. Highlights include the 3rd Edition of John Muncie's bestselling *Youth & Crime*, and *The SAGE Dictionary of Policing* by Alison Wakefield and Jenny Fleming. We are also pleased to announce that the ESC's journal, the *European Journal of Criminology*, is now publishing six issues a year.

European Journal of Criminology is now published bi-monthly, providing even more high quality research and analysis on crime and criminal justice issues.
