Littlemoor Wishes

Claire Barber

Littlemoor Wishes consists of three beaded tie clips and three laser cut neoprene tags contained in a small transparent clip seal bag, individually posted to every 2400 Littlemoor household in summer 2009. A pen was also provided for people to hand write their own wishes, hopes and desires onto the tags with instructions to tie them onto the metal Herris fencing surrounding the Weymouth Relief Road works on Littlemoor hill. The response was such that soon clusters of brightly coloured tags were seen against a moving backdrop of road building. After two weeks the tags were carefully collected and presented in this publication, while a few may have been carried by the breeze.

Claire Barber would like to thank every member of Littlemoor community for their funny, sad, potent and touching contributions to Littlemoor Wishes. She would also like to thank Matthew Piles, Richard Harris, Simon Fenoulhet, Nicky Whittenham, Malcolm Beeson and Pauline Jesset for their help and support.
