'The development of education and training for the British coal industry and the contributions made by further and higher education with some oral testimonies'

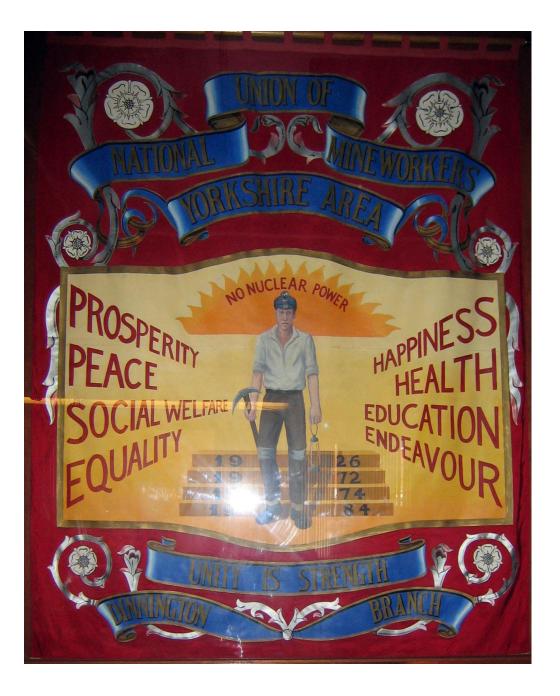

Burnley Municipal College Prospectus 1940-1941, p.72

Dr Martyn Walker University of Huddersfield

Walker, M (2015) 'Rule of thumb methods no longer suffice' Development of British coal industry education and training 1900 – 1970: Lessons for present-day education policy makers' *Journal of Educational Administration and History*, 47 (4).

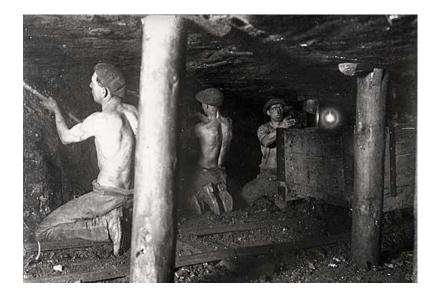

- Previous research had identified a scattering of Mining Institutes, particularly in the North East,
- Malicious Injuries to Property Act (1861)
- Marchioness of Londonderry, 1867

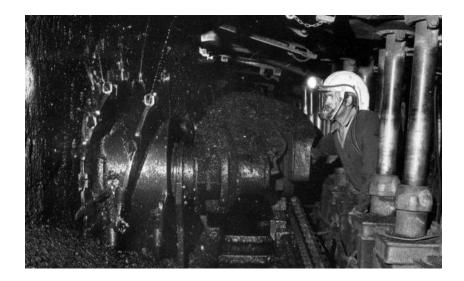

- City and Guilds London Institute 1888
- Technical Instruction Acts 1889

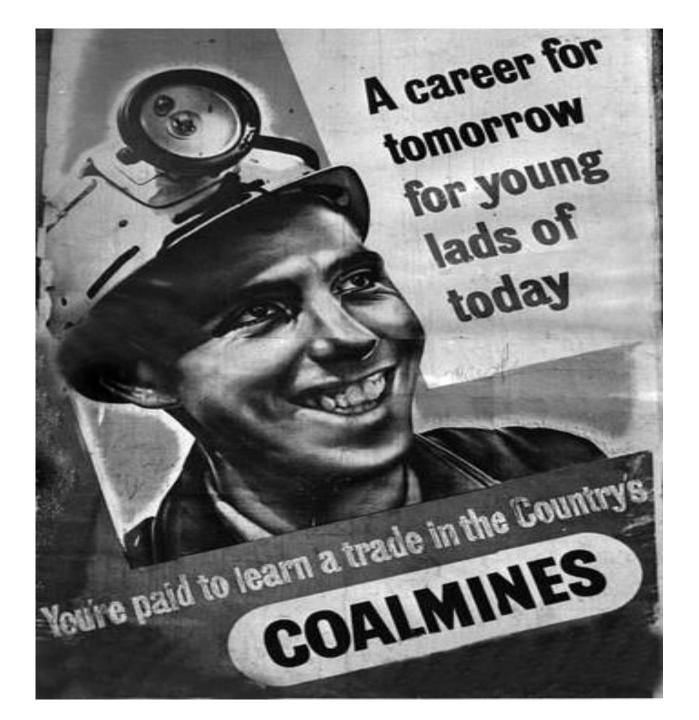

Working environments

- The Miners' Welfare Fund,
- •Coal Mines Act of 1911,
- •Foundation of Mining Colleges,
 - •Barnsley, Yorkshire,
 - •Chelmsford, Dinnington, Yorkshire,
 - •Rotherham,
 - •Wakefield and Castleford Colleges,
 - •Burnley,

•Wigan and District Mining and Technical College

Barnsley Technical School Academic Year 1910- 1911 Examination Number of successes

County Council Mining Examinations	45
County Council Science Examinations	45
Board of Education (General) Examinations	7
County Council Commercial Examinations	69
National Union of Teachers' Examinations	31
Royal Society of Arts Examinations	17
City and Guilds London Institute (trades)	48
Scholarships to Sheffield and Leeds Universities	9

The Barnsley Education Committee Annual Distribution of Prizes and Report 1912,

Department (Administration)	£18 - £20 per week
Under Manager	£1,125 - £1,500 p.a.
Manager	£1,400 – 2,100 p.a.
Agent	£1,750 - £2,400 p.a.
Group Manager	£2,000 - £2,750 p.a.
Production Manager	£2,250 - £3,000 p.a.
Area Manager	£4,000 maximum p.a.
Colliery Engineer	£900 - £1,400 p.a.
Group Engineer	£1,005 - £1,600
Area Engineer	£1,550 - £2,150
Divisional Engineer	£2,000 - £2,750
The NCB also sponsor scholars	hips to University

Salaries in the mining industry in relation to qualifications 1962.

Guide to Courses available at Barnsley Mining College y (1962), p.7.

Courses offered in the Mining Department at Rotherham College in 1956

- Juvenile Entrants Training Course,
- Pre-Senior Mining Course,
- Shot Firer's Certificate,
- Deputy's Certificate,
- Deputy's part time Certificate Course,
- General Craft Course (Mining, Colliery Electrical Engineering and Colliery Mechanical Engineering),
- Advanced Certificate Course (Colliery Electrical Engineering and Colliery Mechanical Engineering),
- Ordinary National Certificate (Mining, Mine Surveying, Mine Mechanical Engineering, Mine Electrical Engineering),
- Higher National Certificate (Mining, Mine Surveying),
- Colliery Managers' Certificate,
- A.M.I. Mining Engineering Course,
- Colliery Medical Attendance Course
- Colliery Rope-men's' Course

Rotherham College of Technology Prospectus 1956 – 1957, p.70

Wigan and District Mining and Technical College

Former Wigan and District Mining and Technical College Mining & Geology Laboratory

The Museum was 'saved' by a IT Lecturer who painstakingly putt it back together in a classroom (on loan) at the Leigh site

Geology Museum

Mining Equipment

Model Coal Tubs for Measuring Gradients

Model of an underground working

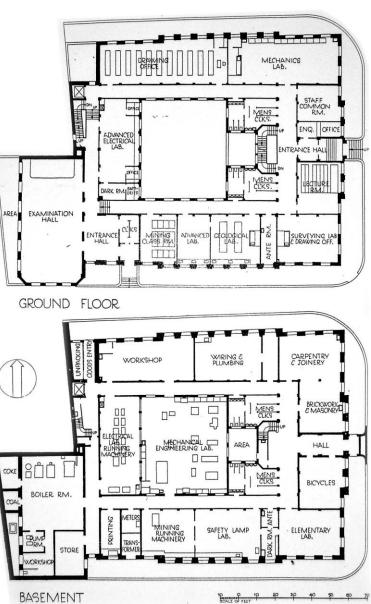

Fossils from recovered from local coal mines

Gas Detection Lamp

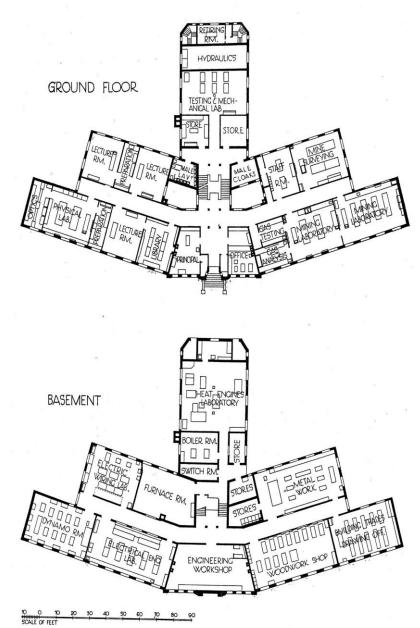

Barnsley Mining College

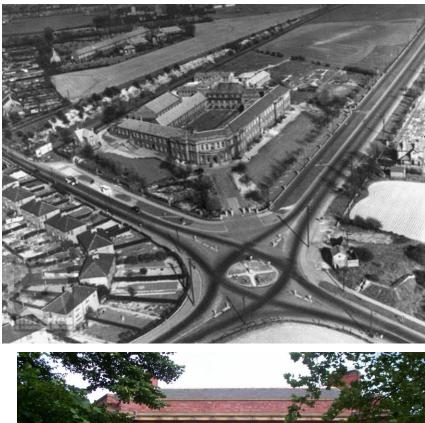

NEW MINING AND TECHNICAL COLLEGE.

Rotherham Mining and Technical College

ROTHERHAM TECHNICAL COLLEGE

Whitwood Mining and Technical College

Chelmsford Mining and Technical Institute

Burnley Municipal College

Atherton Science and Art School

Tyledesley Technical School

Leigh Municipal College (pt of Wigan & Leigh College)

Firth College Mining Department now University of Sheffield

Higher Education

- Glasgow University,
- •Durham at Newcastle University,
- •Manchester University,
- •Leeds University,
- Sheffield University

NCB sponsored degrees at these universities. 'Controlled' the numbers of undergraduates each year.

NCB also sponsored sons and daughters of miners who were offered places at university.

Oral education history

Case study 1. John North East Coalfield Case study 2. Alan Lancashire Coalfield

Case study 3. Dave Yorkshire Coalfield Case study 4. Dan Yorkshire Coalfield

Summary

- From Rule of thumb to higher degrees,
- Employer funding: (NCB),
- Miners to Teachers,
- Mining Departments worked collaboratively with other subject areas,
- Decline in mining qualifications during1980s but colleges and HEIs: offered qualifications for overseas students,
- Qualifications at all levels were highly regarded by employers outside the coal industry.
